GREEN LEAF LAWN CARE INC: ONE TIME OFFER FOR LONG TERM BENEFITS

Dear Homeowner,

Have you heard about this offer with so much benefits?

But before then...

I'm Bill Leighton, I started this business in 1982, with my two sons. Starting up, we faced many challenges that seemed like we should not to continue but the goal then was to help homeowners to achieve greener environment. We continued to do just that and with time we were able to help many homeowners like you. With time we have answers to every questions about lawn and garden care and maintenance services. With time we expended our business to 13 communities in Seattle just to move closer to serve you better.

We started with one of our clients like this:

We delivered this and many results like this has become our priority.

Talking about the offer, we want you homeowners to know that our services in this Fall is designed to make you spend zero dollar. We offer free service now and we will deliver the same quality services.
